I like mountain animals.

This book is all about mountain animals.

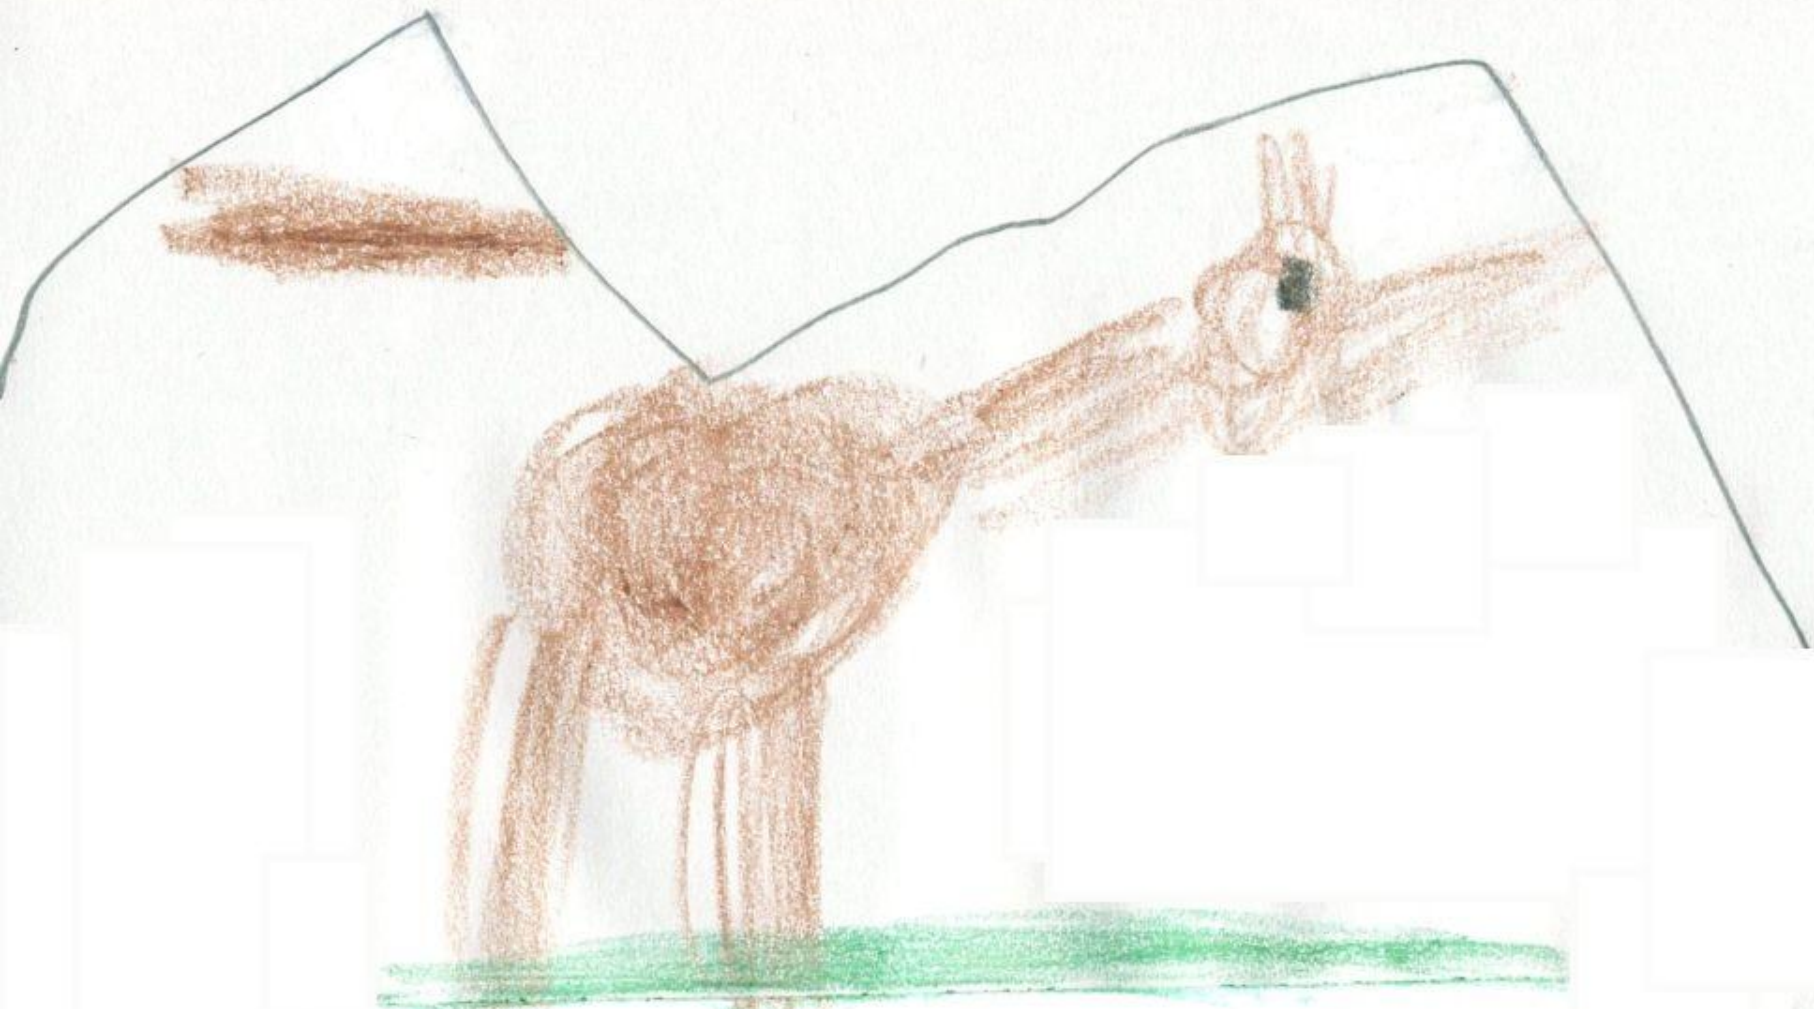

Wolves live in the mountains.

Wolves eat all kinds of meat.

Black bears live in the mountains.

Black bears live in caves.

Deer live in the mountains.

Deer eat grass.

Elk live in the mountains.

Elk are big deer.

Grizzly bears live in the mountains.
Grizzly bears eat meat.

Big horn sheep live in the
mountains.

Big horn sheep eat grass.

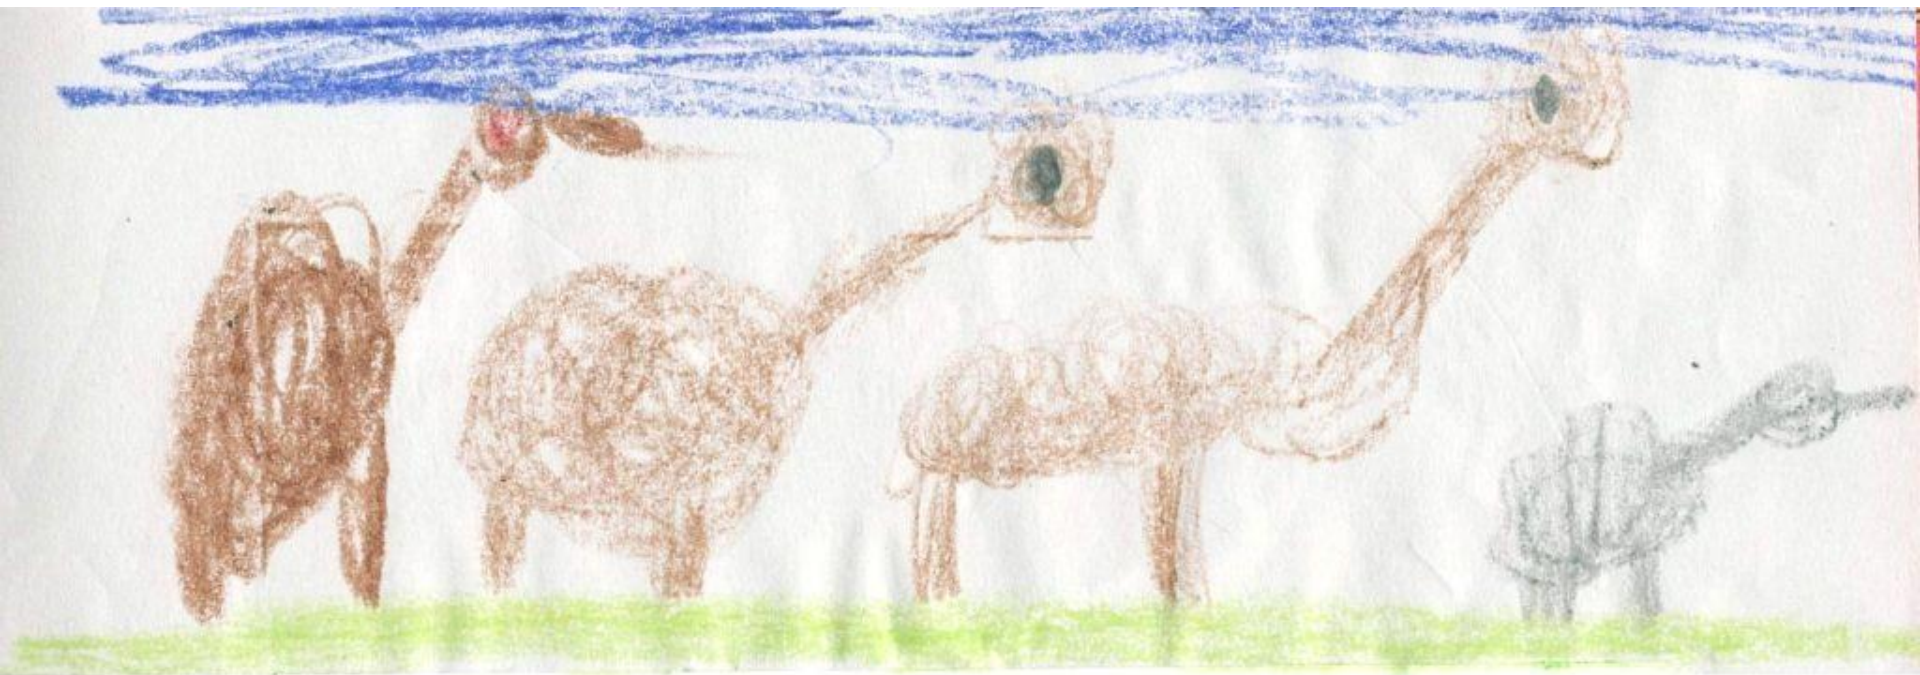

Mountain lions live in the mountains.
Mountain lions eat deer.

Mountain goats live in the
mountains.

Mountain goats eat grass, too.

All these animals live in the mountains of Colorado. I hope everyone will get to see them someday.
