BOP'S JOURNEY

Bop's Journey

By Geno

Bop's owners began doing strange things. They put everything that he knows into large boxes. Bop chirped for attention. But, they don't look and completely ignore him. Bop became impatient and squawked. The owners placed a blanket over his cage and said, "Be Quiet!"

Bop fell asleep and woke up the next morning. He chirped, squawked, sang, and squawked again. The house was silent and no one answered. Bop grabbed the blanket with his beak and feet and pulls with all his strength. After an exhausting effort the blanket falls. The house is completely empty except for his cage. Bop soon became hungry and worried. He frantically thought about how he could get out of his cage.

Bop scratches his blue feathers and takes his bird cage apart. Then he looks back and there is a map Bop hops to the map and sees a part circled and there are numbers 3216 he thinks this has to be where they are going.

"I have get out of here." Chirps Bop

Cling! Bop rams part of his bird cage at the window, and hops through the hole and onto the ground.

"I have to get to that land." Said Bop

He gets to town but there are so many cars he could never possibly find them and the light turns green, and all of the cars leave at 55 miles per hour. He almost loses hope but he remembers he knows the address of the new house. He hops on the back of a truck. He ends up in the Forest of Death.

Chapter 2

He hops into the forest and he immediately has a chill down his spine.

"I really hope I don't die in here." Says Bop

Then a big scary ghost flies past him.

"Whoa what was that?" says Bop

"I am Glump and I have been waiting for years to eat real food so I am going to possess you!" Yelled Glump

"Whoa wait I am trying to get home so leave me alone!" whined Bop

Bop hops as fast as he could but Glump is too fast. Glump possesses Bop. Bop goes to eat real food he sees a zombie and says "Food." He hops as fast as he can and there is a tree in front of him
BAM!

Glump screams "Ow." Then floats away. Bop lays there in pain.

"I've got to get out of here," Bop sighed.

He sees day light and hops to it he gets through the rose bushes without a scratch.

Chapter 3

Bop hops over to the lake and starts drinking. He looks up and there is a snake. "Sssssssso what are you doing here little bird?" hisses the snake

"N... n... nothing," Stutters Bop.

"I am hungry," Hisses the snake.

"Oh not again," Says Bop.

But the snake doesn't hurt him he just keeps drinking. Bop continues drinking and gets healed. Then a fish jumps out of the water and says "Come down here."

Then Bop jumps into the water and there is a city for fish! Bop couldn't believe his eyes he swims down surprisingly not needing air.

"Wow." Gurgles Bop

All the fish great him.

"It's like I'm actually flying." Says Bop

He swims to the castle and the king and queen fish let him enter.

"Hello," said the king and queen fish.

"Hi," says Bop.

Two guard's slam the door open with a fish in their hands and yell "we've found the fish."

"Put him into the fishing area." Says the king fish

The door slams shut. The king fish says, "What are you doing and why are you here?"

Bop says "A fish told me to come down here."

"Take him..." the king gets interrupted by Bop

"Wait." Bop says "I am hungry and I am very helpful."

"Take him to the helper room." The king demands

Bop gets a huge sigh of relief and is led to the helper room. He whispers to himself "I've got to get out of here."

They get to the helper room and it has so many windows but there are a lot of guards. Bop hears the king demanding to take fish to the fishing area. Bop is starting to think this is a bad city. But it is very beautiful. He tries to get out but he gets caught every time. Bop thinks if I get them to get mad at each other then they will be too focused on each other. He tries to throw something at the guard but he just gets in trouble Bop is trying to figure out if the king and queen are good or bad? Because they let me stay here but they were demanding to send fish to the fishing area.

Will Bop ever find out..?
