"La La La" sang Bethany as she, Megan and Samantha skipped down the beautiful rainbow colored path of Candy Land. Suddenly a giant green net fell down on the girls.

"Ahhhhhhhhhhhh!" screamed Samantha. A small troll about three feet high ran over and began to drag Bethany, Megan, and Samantha down a dirt hill on the side of the path.

"Oh no this is very bad!" whimpered Bethany. Megan silently pulled out a pair of bright pink finger nail clippers and tried to cut through the net but it was no use. The net was too thick.

Soon the girls and troll approached a large cave with colorful dots on the outside border of

the cave. Looking more closely Megan realized that the colorful dots were actually m&ms.

The troll dragged the girls inside the cave. It had brown slime on the walls and more m&ms covered the floor but mostly it was filled with trolls like the one the girls had been dragged by. The trolls were very short and had two rainbow colored horns sticking out just above their ears. They also had m&ms all over their pail green skin like rainbow warts.

"well you look like you could help us build stuff. We could use you to build a prison room or a sled or a chair!" shouted a female troll in the front of the gigantic crowd.

"Hey! Why do you think you are going to build stuff with us?" shouted Megan with her hands on her hips.

"That's just what we do." Stuttered a troll with large horns.

Suddenly.... WHAM! The female troll that had spoken first wacked Megan, Bethany, and Samantha on the head. Then everything went pitch black.

An hour later Megan woke up and looked at her surroundings. She was in a small room with Samantha and Bethany [who were still out cold.] The room was dark, cold and the far end of the room had 10 colorful bars from the ceiling to the floor. The bars were red, orange, yellow, green, blue, purple, pink, indigo, teal, and lavender.

"Samantha, Bethany, wake up!" Said Megan while she frantically tried to shake them awake.

"What who?" mumbled Samantha.
Suddenly....

"HONK!" Samantha and Megan looked over and saw a snoring Bethany.

"On three" said Megan. Samantha nodded. One two three! They whispered. On three both girls shouted

"Bethany! Wake up!"

"Yeah?" said Bethany sitting up and groaning.

"Look around Bethany" said Samantha

"Yeah what's so great about this room?"
Asked

Bethany. Clearly, she was still a little drowsy. "WE ARE IN A PRISON CELL!" shouted Samantha [She was losing her patience with Bethany.] "We are?!" screamed Bethany. Then she started to run toward the bars with her head down as if she were going to head butt them but ended up just ramming into the bars with her tongue sticking out. "Yum chocolate!" said Bethany and started to lick the bars like a kitten with a bowl of milk.

"Come on this is delicious!" Said Bethany gleefully."

"And it melts the bars too!" Added Megan gesturing to the now much skinner bars of the prison room

The girls frantically licked and chomped on the bars until the bars were small enough to simply break off.

When the bars were off the girls ran in every direction trying to find an exit. Suddenly the girls heard a faint pitter patter pitter patter "A guard, hide!" whispered Megan. The girls darted into the nearest room.

The room was dark and had a huge tarnished gold pot in the middle.

"What a big pot", said Samantha.

"AWSOME!" shouted Bethany as she darted toward the pot and climbed up it to sit on the edge of the big pot.

Suddenly a deep purple smoke filled the air and sucked all three girls into the pot.

Megan felt like she was in a blender. She went up and down and around in a wild circle. When they were about to get totally sucked down the humongous drain of the pot Megan grabbed the edge....
