THE MYSTERY JOURNEY TO DEMON TOWER

BY: ALEX A.

CHAPTER 1

Unicorn Bob was walking in the grass. He was whistling, “Dum de dump de Du.”, walking.

“What’s up man!” someone said walk toward him.

“Who are you, I...? I ... I don’t know who you are.” Unicorn Bob stuttered.

Unicorn Bob began to run. The random man began to chase him until he grabbed him. “Hey let me go!” Unicorn Bob yelled in his face.

“I just want to ask you something.” He said.

“What?” Unicorn Bob said.

“Do you want to come over for dinner?” He announced.

“Why didn’t you say so.....? What is your name by the way?” Unicorn Bob said.

“I can’t tell you, but it starts with the letter D.” He said. The man pulled out a harmonica and played a couple of test notes. Then he started blowing a slow paced rhythmic song into the harmonica.

“Ok.” Unicorn Bob answered as his mind became relaxed.

Unicorn Bob was walking in a meadow with woods around it. The man’s house was in the middle of the forest. The forest had dead, creepy, disgusting, plants and there where big holes that where red in the trees. They followed us while walking past in the dark. There where swamps with leeches that would get on your

shoes and frogs that would scare you to death when they croak at night.

“Where are we going cause this place freaks me out!” Unicorn Bob cried.

“To my house it’s *beautiful* inside.” He lied.

“COOL!!!!!!!!!!!!!!” Unicorn Bob yelled in his ear.

“OH!!!!!! You hurt my ear!” he whined.

Sorry. I didn’t mean to.” Unicorn Bob said in a soft voice.

They went to the house and it took forever.

“I wonder why there are two guards standing there?” Unicorn Bob thought to himself.

One of the guards opened the door. There was a blue, red, and gray circle, kind of in oval shape

thing. It was spinning in clock wise. He made unicorn bob look directly in this thing.

”What is this....I....I....I’m not going in.”

Unicorn Bob yelled.

“There are lights shining in a circle. They’re dark, goopy, and scary lights!” he said.

“OF COURSE!!!!!!!!!!!!!!” Unicorn Bob yelled. He pushed him out of the way and ran right in.

“SSTOOOPPPPPPPPPPPPPPPPPPPPPPPPP!!!!!!!!!!!!!!” He yelled at him. They started running throw the dark, goopy, and scary lights.

”fooooooooooosssssssssshhhhhhhh.” the lights screamed while they entered.

“Is this a port....?” Unicorn Bob said.

“Yes it’s a portal. I tricked you into thinking they are dark, goopy, and scary lights.” He responded.

“You jerk! Why did you lie to me?” Unicorn Bob yelled.

“Because I’m not human.” He admitted.

“What are you talking about? Then what are you?” Unicorn Bob whispered.

“I’m a demon see.” He boasted and took off his mask.

“Huuuuuuuuuu. Why. Why didn’t you tell me in the first place?” He sighed.

“Because I’m taking you to jail.” He said in an ordering voice.

“Why, why do you have to do this?” Unicorn Bob whined.

“Because you picked on me in high school” he said.

“No I didn’t..... oh yeah right and I used to call you fatty Mc nugget” Unicorn Bob replied.

“Don’t call me that!” he yelled.

“Ok. Ok. Ok I won’t call you that.” Unicorn Bob said in a weird voice.

They exited the portal and started walking in a tower that was on fire. The flames where on the top of the building. “Ok it’s time to go to jail for the rest of your life.” He told him.

“NNNNOOOOOOOOOOOOOOOOOOOOO!!!!!!!!!!”

Unicorn Bob yelled.
